GREENVILLE, S.C., October 6, 2011 – McCallum Sweeney Consulting Senior Principal Mark M. Sweeney provided expert testimony to the Indiana Legislature which held hearings to evaluate instituting Right to Work legislation in their state. At the request of the Indiana Department of Commerce, Mr. Sweeney appeared before the Indiana Legislature's Interim Study Committee on Employment Issues and informed them on the decision process that firms conduct when seeking a new facility, and the treatment of labor issues, in particular right-to-work status, in the process.
