PROVIDES EXPERT TESTIMONY TO MISSOURI LEGISLATURE**

GREENVILLE, S.C., February 9, 2011 – McCallum Sweeney Consulting Senior Principal Mark M. Sweeney provided expert testimony to the Missouri Senate Committee holding hearings to evaluate instituting Right to Work legislation in their state. At the request of Senator Luann Ridgeway (R – Smithville), Mr. Sweeney appeared before the Missouri Senate General Laws Committee and informed them on the decision process that firms conduct when seeking a new facility, and the role of labor issues in general, and right-to-work status in particular, plays in the process. The key focus of the testimony was the impact such legislation, or lack of it, has on the state's competitiveness for new capital investment.
