

## Professional Summary

### **Lindsey Myers**

*Consultant*

Lindsey Myers is a consultant with McCallum Sweeney Consulting, providing site selection services and economic development consulting to companies and organizations worldwide.

Ms. Myers is currently part of the consulting team for a high-tech aviation project as well as a strategic planning project for The Beacon Council in Miami, Florida. She recently completed work on the Mitsubishi Electric Power Products manufacturing project as well as a target industry study for the Charleston Regional Development Alliance in Charleston, South Carolina.

Ms. Myers worked on the headquarters relocation for SunCoke Energy and assisted with the site analysis for the permanent jamboree site for the Boy Scouts of America. Ms. Myers has also been part of the team for the Mississippi Power Site Certification Program and a site certification effort for Danville, Virginia. She also worked on the target industry study for the Upstate SC Alliance.

Before joining McCallum Sweeney Consulting, Ms. Myers served as a research analyst and tax and incentive consultant for the South Carolina Department of Commerce. There she was responsible for development of marketing and project deliverables and tax and incentive research for the State. Ms. Myers' professional background also includes positions with Charleston Area Federal Credit Union and Sodexho/Carolina Dining Services as well as an internship with Miller Brewing Company.

Ms. Myers has earned a Masters of Public Administration and a Bachelor of Science in Business Administration, both from the University of South Carolina. She is a member of the South Carolina Economic Developers Association (SCEDA).
