

## Professional Summary

### **Lindsey Myers**

*Consultant*

Lindsey Myers is a consultant with McCallum Sweeney Consulting, providing site selection services and economic development consulting to companies and organizations worldwide.

Ms. Myers is currently supporting two economic development projects including the Duke Energy Site Readiness Program and a site certification effort for Danville, Virginia. Ms. Myers assisted with the site analysis for the permanent jamboree site for the Boy Scouts of America and is currently assisting on a site selection project for an advanced manufacturing company.

Before joining McCallum Sweeney Consulting, Ms. Myers served as a research analyst and tax and incentive consultant for the South Carolina Department of Commerce. There she was responsible for development of marketing and project deliverables and tax and incentive research for the State. Ms. Myers' professional background also includes positions with Charleston Area Federal Credit Union and Sodexo/Carolina Dining Services as well as an internship with Miller Brewing Company.

Ms. Myers has earned a Masters of Public Administration and a Bachelor of Science in Business Administration, both from the University of South Carolina. She is a member of the South Carolina Economic Developers Association (SCEDA).
